

Eveniment organizat de

- Agentia Nationala pentru Cercetarea Stiintifica
- INCD-Microtehnologie, (punct de contact pentru PTE Nanomedicina)

cu concursul Comisiei Europene si al Platformei Tehnologice Europene de Nanomedicina

Lansarea platformei nationale de colaborare in domeniul "nanomedicinii"

4 iulie 2006, ora 9:00

Biblioteca Academiei Romane

Calea Victoriei nr.125 (intrarea prin Bdul Dacia) Bucuresti

Nanomedicine Workshop:

- 9:30 Iulia Mihail, Director, National Authority for Scientific Research, Ministry of Education and Research "From ETP to NTP"
- 9:40 Renzo Tomellini [*on behalf of*] Head of unit, Directorate Industrial Technologies, DG Research, CEC, "European Technological Platforms (ETP)".
- 9:50 Uta Faure [*on behalf of*], "ETP Nanomedicine" CEC, DG Research, Directorate Industrial Technologies
- 10:00 Patrick Boisseau, CEA, LETI, Grenoble, France "Strategic Agenda of Research of the ETP Nanomedicine"
- 10:45 Mathias Mallmann, Science Park, Sarbrucken, Germany "NanoBioNet, a competence network in nanobiotechnology"
- 11:15 Irina Kleps, IMT-Bucharest, Responsible development of nanotechnology (Tokyo report)
- 11:30 *Coffee break, Visit of the poster exhibition.*
- 12:00 Dan Dascalu, IMT-Bucharest, Suggested national platform of collaboration in nanomedicine.

Exhibition: A poster exhibition will display resources, activities, projects of the Romanian organisations working in the field.

Documentation: Registered participants will receive copies of main presentations

Inscrierea se face pe site-ul proiectului RO-NANOMED (www.imt.ro/ro-nanomed).

Manifestarea este sponsorizata de proiectul ROMNET-ERA (www.romnet.net).
